To whom it may concern,

You had to no right to cancel/"complete" this request. My record(s) request was very clear and never received not 1 record.

I am appending this public record disclosure and will provide clarity so that my requests start producing at a minimum installments of the records I seek. (Let alone, all in bulk since all of American and Washington State Personal information is on your Personal Computers at home in violation of both Federal and State Constitutions + Washington State Codified Code and US Codified Federal Code;

I will be processing new requests, referencing these (R000393-112121 [11/21/2021]) & (R000355-102921 [10/29/2021]) public record disclosures that are concern to the Safeguarding of The Constitutional Republic of The United States of America, Washington State (Free and Independent), all 49 other Free and Independent States + 5 Inhabited Territories in OUR Constitutional Republic which is Constitutionally Supreme Law of The Land per Wash. 1, 2 (November 11, 1889), U.S. 1 / Art. VI., "this Constitution", (September 17, 1787) and Mandatory per Wash. 1, 29 (November 11, 1889) to and for ALL Natural Born Americans and Allegiant Legally Immigrated Foreigners per USC4 (Pledge of Allegiance) & Immigration Oath(s); Current and Future! The safeguarding of Liberties, Freedoms and Independence in OUR Free Country is absolutely critical and necessary regardless of Current Incumbent (Both Parties) Overt Abandoning The Constitution(s) both Federally and State while enforcing a Corporate, Medical Propaganda and Foreign Data Aggregated (U.S. Federal CDC aggregating Foreign notwithstanding United Nations / World Health Organization data, calling it American; Overt Seditious Conspiracy and Treason), Estoppel through the means of TV, Social Media, Health, Corporations while imposing a Foreign Government in the name of safety. Forced Church closures, "mandated" unlawful "Zoom Courts" which violate every Constitution in the Constitutional Republic of The United States and American Law, notwithstanding per U.S. Const. Art. VI. (September 17, 1787).

Thank you!

I still do not consent to a foreign government!

When are you going to start producing these Legal Public Records?

It's been far too long and not even 1 set of records yet. This is a foreign government that has been installed in Washington State and I do not consent.
